The Ballad Dark: A Tragic Comedy

Voidance

LITERARY FICTION · TRAGIC COMEDY · NARRATIVE VERSE · 259 PAGES

Available in paperback, hardcover & ebook
(audiobook: forthcoming)

The Ballad Dark is a folklore epic, told in **narrative verse**, about a hell hound and her companion as they confront the oddities of the 'dark'.

Though this is a story of romance and vengeance, it is not for the faint of heart – for this dark tale has been known to haunt the mind for ages to come.

our origin sounds
but seldom derives
lest voided in mind
for **dark** to contrive

tho what is **dark**
if **nothing** depicts
for what is created
if **nothing** exists

For readers of: Dante Alighieri (*The Divine Comedy*), Beowulf, Edgar Allan Poe (*The Raven*), Samuel Taylor Coleridge (*The Rime of the Ancient Mariner*), literary tragicomedy, and narrative verse.

Contains: Death, violence, peril, romance, alcohol use, and adult themes.
